Description:

We, at New Jersey Videography, performed our services in following wedding venues as well in many others.

Whether you're marrying in New Jersey or New York, searching for a fairy-tale castle or a soaring city loft, we think it will be easier for you to research and find your dream wedding venue if you see the actual wedding video highlights produced at the location.

Have a cozy indoor wedding ceremony and don't worry about the weather. ... Let nature be the backdrop for your big day with an outdoor wedding ceremony. ... Celebrate your marriage under the stars with an outdoor wedding reception.

Our highly rated NJ wedding videography studio is based in New Jersey, but we serve clients in New Jersey, New York, Pennsylvania and Connecticut.

Do you have questions to our videographers or NJ photographers? Would you like to schedule an appointment with nationally recognized, best rated video production specialists in NYC or New Jersey? Please contact our photography and videography experts for a FREE consultation. During your initial consultation we offer wedding photography and videography samples and discuss pricing options. We offer photo and video package discounts.
